

# GETTING STARTED IN LEADERSHIP COACHING

## Hosted by The PowerSessions!

Get a personal introduction to the dynamic techniques professional coaches use to transform lives and develop leaders with *Getting Started in Leadership Coaching!*

Whether you are looking for basic training or just want to see what coaching is all about, this six-week interactive course provides it all. Each week you'll read about how to practice a key coaching skill, listen in as a world-class coach trainer models that skill on your CD set, and then participate in a live, weekly class session to observe, practice, and apply what you've learned. It's a fun and effective way to learn.

The course includes the book *Leadership Coaching*, the companion four-CD set (a \$60 value!), and six weekly interactive class sessions, and a bonus 7<sup>th</sup> session on how to become a certified coach.

## Course Details:

- Seven week course plus orientation session
- 60-90 minute class session each week plus reading and CDs.
- You'll get a chance to see key concepts modeled and practice them on a peer.
- Highly interactive: you won't have to sit and listen to a talking head.
- Each participant receives the acclaimed coaching how-to book, *Leadership Coaching*, and four-CD *Leadership Coaching Live!* set. (a \$60 value)

*Facilitator: L. Danyetta Najoli, M.A. Danyetta is a Senior Organizational Development (OD) Specialist and Personal Coach. She worked as a Dean of a coach training school and helped develop course curricula for coaching training programs.*
